Description

SURFACE REED

A0007	Magnetic Switch MSEW Magnetic Switch, Economy Version , White
A0008	Magnetic Switch MSEB Magnetic Switch, Economy Version, Brown
B0706	Pal-TWH Pal-T white magnetic contact
B0707	Pal-TBR Pal-T brown magnetic contact

MAGNETIC MSEW SWITCH

RECESSED REED

A0113	3/8" diameter recessed ZR-715R 3/8" diameter recessed with 1/2" gap (white)
A0114	3/8" diameter recessed ZR-715BR 3/8" diameter recessed with 1/2" gap (brown)
B0808	Recessed door contact 947-75T Recessed door contact for Steel door 3/4" Diameter
B0150	Brown vibration switch VIBEBRN Brown vibration switch (R.E.)
B0070	White vibration switch VIBEWHT White vibration switch (R.E.)
B0152	Brown cut-out switch CUTOBRN Brown cut-out switch (R.E.)
B0151	White cut-out switch CUTOWHT White cut-out switch (R.E.)
A0001	Roller Shutter with armored cable RSM Roller Shutter with armored cable, 50mm gap distance
B0028	Roller Shutter Lever Switch (Left) RSL Roller Shutter Lever Switch (Left)
B0029	Roller Shutter Lever Switch (Right) RSR Roller Shutter Lever Switch (Right)
B0704	Ademco magnetic contact 956RPT-WH Ademco magnetic contact
B0705	Heavy Duty Magnetic Contact 7945WH Heavy Duty Magnetic Contact with 86mm gap
B0864	Balanced Door Contact Magnetic contact for indoor and outdoor surface mounting with high security standards. Series 1000 N, in an elegant metallic case with small dimensions that links installation practicality and nice beauty. Series 1000 N is suitable for security system in a bank (many models are IMQ I or II level certified), in a shopping center and public office; the internal magnetic circuits are designed for having double and triple balancing.

HEAVY DUTY MAGNETIC CONTACT 7945 WH
