

Switchers, Quads & Multiplexers

For orders Call: 0860 22 55 23

ADI Part number	Vendor	Description
VIDEO SWITCHING		
QUAD PROCESSORS		
C0715	HQC30EX	Honeywell Colour 4 Camera Real Time Quad Incl power supply
VIDEO MULTIPLEXERS - COLOUR		
C0580	HXCT9X	Honeywell AXECD9X 9-Channel Colour Duplex Multiplexer High resolution, Full duplex operation, Real-time live video display, Various split screen, Loop through, Video motion detection and adjustable sensitivity, Roll-free video switching, On screen user configuration menu.
C0579	HXCT16X	Honeywell AXECD16X 16-Channel Colour Duplex Multiplexer High resolution, Full duplex operation, Real-time live video display, Various split screen, Loop through, Video motion detection and adjustable sensitivity, Roll-free video switching, On screen user configuration menu.
MATRIX SWITCHING AND CONTROL SYSTEMS		
CONTROL KEYBOARDS		
C0421	0248-001	AXIS IP Desktop USB Keyboard with Joystick and 10 programmable buttons. (Can be used with DVM, Axis and Milestone Software)
C0418	CYBERKEY	Cyberkey Keyboard w/Variable Speed Joystick, Integral Zoom, Programmable, LCD display, Dual comm ports for Dome, VW3208 Matrix & KXR DVR Control.
C0419	DCJ	Videotec Keyboard w/Variable Speed Joystick, LCD Screen, RS422/485 Dome/PTZ Control, Multiple Protocol, DVR/ Mux Control.
C0420	DCT	Videotec Keyboard w/Variable Speed Joystick, LCD Touch Screen Control, RS422/485 Dome/PTZ Control, Multiple Protocol, DVR/Mux Control, GUI, Mapping, SDK.
C0424	SSC-1000P	Samsung Keyboard w/Variable Speed Joystick, LCD Screen, RS422/485 Samsung SCC641/SCC643 Dome Control, 4 x Aux Output.
C0425	SSC-2000P	Samsung Keyboard w/Variable Speed 3 Axis Joystick, LCD Touch Screen Control, RS422/485 Samsung Dome Control, Samsung DVR/Mux Control.
C0422	HEGS5BLXKT	Honeywell Videoblox Keyboard With Variable Speed Joystick, for control of Videoblox Matrix, DVR's, Speed Dome Cameras and PTZ units.
C0423	KEGSA004	Honeywell UltraKey Keyboard touch screen, Integral zoom (Can be applied to FAST DVR, Cieffe DVR, Maxnet, Maxpro

Cyberkey

Samsung SSC-2000P

Honeywell KEGSA004

AVI ELECTRONICS (PTY) LTD

Well designed feature rich South African products

AVI CYBERKEY 128 KEYBOARD

AVI 3208 MINI MATRIX

AVI offers the following range of products available from ADI for your convenience

- Video distribution amplifier range
- Video line amplification range
- Video, data, ethernet, power surge suppression range
- Full range of power supplies for specialised integration
- Alarm interface range
- Matrix switcher and keyboard devices
- Communication interface range

AVI - SUPPLYING THE LOCAL MARKET WITH QUALITY SOUTH AFRICAN PRODUCTS FOR MORE THAN HALF A DECADE

ADI Part number	Vendor	Description
MATRIX SWITCHERS - VIDEOWISE		
C0499	VW3208	Video Wise Mini Matrix 32 Input 8 Output, 8AI/1AO. Use with VW5000/Cyberkey Keyboard. No translator required when used with Diamond domes.
	VW4200	Data Converter RS232 to RS422 Converter, 220Vac (WHILE STOCKS LAST)
C0254	VW4203	Data Repeater RS422 Data Repeater, 220Vac (WHILE STOCKS LAST)
VIDEO TITLERS		
C0735	VT03	Stealth Stand Alone Single channel video titler (tellermate, scales, note counters, POS etc, check available firmware)
C0736	VT07	Stealth Chassis for multi channel video titler (max 8 cards)
C0737	VT07C	Stealth Single Channel Titler Card for VT07
VIDEOBLOX CARD CAGES/CHASSIS		
C0512	HVB2UX	Honeywell Videoblox 2U Card Cage with 3 card slots includes power supply (VBLX2U)
C0517	HVB4UX	Honeywell Videoblox 4U Card Cage with 7 card slots includes power supply (VBLX4U)
C0519	HVB8UX	Honeywell Videoblox 8U Card Cage with 15 card slots includes power supply (VBLX8U)
C0503	HVB12UX	Honeywell Videoblox 12U Card Cage with 23 card slots includes power supply (VBLX12U)
VIDEOBLOX CPU CARDS		
C0502	HMXMAX-PRONET	Honeywell System Control Computer 19" Rack Mount (3RU) Composite video menu & black source output, Maxnet Software, commissioning manual, operator's manual and installation & commissioning manual, maximum 20 expansion ports, suitable for RD-04 and RD-08 RS-232 expansion cards (230V AC) CAN BE USED ON MAXPRO OR VIDEOBLOX
C1429	CP-168U	Moxa Serial Card 8 Port to be used with Maxpronet
C1431	OPT8C	Moxa Octopus Cable 8 Way Cable to be used with Serial Card
C0529	HVBLCPU-KTX	Honeywell Videoblox Lite CPU Card Includes 8 titled outputs, 8/2 I/O. Max 96 Inputs 8 Outputs, for use with AVB16M8 input cards only (VBLXCOMBO)
C0523	HVBCPU-KTX	Honeywell Videoblox CPU Card with, RS232 Configuration and GUI Port, RS232 Aux Port for Third Party coms, I2C I/O Expansion Port (VBLXCPU)
C0524	HVBCPUVRM-KTX	Honeywell Videoblox CPU Re-Route Card with, RS232 Config / GUI Port, RS232 Aux Port for Third Party coms, I2C I/O Expansion Port, use with AVBCPUX and AVBCE Cards (VBLXCPU)
C0522	HVBCPUIFX-KTX	Honeywell Videoblox CPU "Hot Box" Card with coms, for Casino Software Interface, POS and Note/Coin Counters etc. (requires software)

ADI Part number	Vendor	Description
VIDEOBLOX CPU CARDS <i>(continued)</i>		
C1797	HVBCPUAL	Honeywell Videoblox Alarm Expander 32 In 4 Out (Connects to Videoblox CPU Card)
C0520	HVBCE	Honeywell Videoblox Comm's Expander RS422, Card Cage single slot (for use in re-route matrix systems) (VBLXCE)
VIDEOBLOX VIDEO INPUT CARDS (FROM CAMERAS)		
C0506	HVB16M16	Honeywell Videoblox Matrix 16 Input video card for 16 monitor output system, use with AVB16O or AVB16TO (VBLX16M16)
C0507	HVB16M32	Honeywell Videoblox Matrix 16 Input videocard for 32 monitor output system (VBLX16M32)
C0508	HVB16M64	Honeywell Videoblox Matrix 16 Input video card for 64 monitor output system (VBLX16M32)
VIDEOBLOX VIDEO OUTPUT CARDS (TO MONITORS)		
C0539	U-AVB80	Honeywell Videoblox Matrix 8 Output video card (VBLX80)
C0534	U-AVB160	Honeywell Videoblox Matrix 16 Output video card (VBLX160)
C0510	HVB16TOX	Honeywell Videoblox Matrix 16 Output Titled video card (VBLX16TO)
VIDEOBLOX VIDEO INTERLINK CARDS (INPUT EXPANSION)		
C0513	HVB32LKI	Honeywell Videoblox Matrix 32 Input Video Interlink Input Card with 4 RJ45 Connectors, use with AVB32LKO interlink output card (VBLX32LKI32)
C0514	HVB32LKO	Honeywell Videoblox Matrix 32 Output Video Interlink Card with 4 RJ54 Connectors, use with AVB32LKI interlink input card (VBLX32LKI32)
VIDEOBLOX VIDEO INTERLINK CARDS (OUTPUT EXPANSION)		
C0535	U-AVB16M64A	Honeywell Videoblox Matrix Rear Termination Left Side 8 X BNC in & 16 Way Ribbon COAX in-out interlink, use with AVB16M64C (VBLX16M64-ATERM)
C0536	U-AVB16M64C	Honeywell Videoblox Matrix Rear Termination Right Side 8 X BNC in & 16 Way Ribbon COAX in-out interlink, use with AVB16M64A (VBLX16M64-CTERM)
VIDEOBLOX AUDIO INPUT CARDS		
C0504	HVB16AM64	16 Channel audio matrix input card for 64 monitor output system (VBLX16AM64)
VIDEOBLOX AUDIO OUTPUT CARDS		
C0518	HVB8AO	8 Channel audio balanced output card (VBLX8AO)
C0505	HVB16AO	16 Channel audio balanced output card (VBLX16AO)

ADI Part number	Vendor	Description
VIDEOBLOX SOFTWARE		
C0525	HVBGUI	Windows 2003/XP Pro Graphical User Interface Software (one required per work station) (VM-GUI)
C0530	HVBNET	Windows 2003/XP Pro GUI Network Server Software (one required if more than one workstation) (VM-NET)
C0533	HVBVRM	Windows 2003 Software for Video Re-Route Matrix Config and Logging
C0528	HVBIF	Windows 2003/XP Pro Software for Hotbox Interface CPU, Config and Diagnostics Logging (note/coin counters)
C0521	HVBCIS	Windows 2003 Software for Casino Interface System CPU
VIDEOBLOX CARD CAGE ACCESSORIES		
C0532	HVBPSU	Removable power supply unit for all VIDEOBLOX card cages (use only if spare is required) (VBLXPSU)
C0509	HVB16MLP	16 Way video looping input Rear termination (two slots) (VBLX16MLP)
C0501	HVBBLANK	Front and rear card cage blank cover set (one slot) (VBLXBLANK)
C0500	HVB2BLANK	Front and rear card cage blank cover set (two slots) (VBLX2BLANK)
VIDEOBLOX PROTOCOL TRANSLATORS		
C0531	HVBPIT44	Protocol Interface Translator RS422 in / RS422 out. For dome control.
C0541	U-AVBPIT232	Protocol Interface Translator RS422 in / RS232 out
C0543	U-AVBPIT232I	Protocol Interface Translator RS422 in / Isolated RS232
C0542	U-AVB-PIT232232	Protocol Interface Translator RS232 in / RS232 out
C0545	U-AVBPITIF	Protocol Interface Translator RS422 in / Isolated RS232 With Note/Coin Counter Software
C0544	U-AVBPITCON	Protocol Interface Translator RS422 in / RS422 out, PITIF Concentrator (32 x PITIF per PITCON)
VIDEOBLOX VIDEO TITLERS AND VIDEO DISTRIBUTION AMPS		
C0540	U-AVBMVTX	16 Channel video titler with IR VCR control, Three Titled Outputs per Input, Dual Comms (MVT)
C0511	HVB16VDA3	16 Channel 1 in 3 out Video Distribution amp 2U, 12-24VAC (B16VDA3)
VIDEOBLOX ALARM MODULES		
C0526	HVBI2C16I	Alarm Input Receiver 16 Input Potential Free Alarm Receiver
C0527	HVBI2C16O	Alarm Relay Controller 16 Output 1A /channel total max current 8A

ADI Part number	Vendor	Description
VIDEObLOX DATA EXPANDERS AND CONVERTERS		
C0537	U-AVB232485SA	Data Converter Optically isolated RS232 to RS485/422 converter
C0515	HVB422C4	Data Distributor RS422 4 channel combiner / splitter
C0538	U-AVB422FT8SA	Smart Data Distributor RS422 8 channel combiner / splitter - Fault tolerant
C0516	HVB422FT16	Smart Data Distributor RS422 16 channel combiner / splitter - Fault tolerant
VIDEObLOX CABLE AND CONNECTORS		
C0114	VBLXC2M	Videowise Communications Cable with D9 Connectors for keyboard, 2 meter (VBLXC2M)
C0115	VBLXC5M	Videowise Communications Cable with D9 Connectors, for keyboard, 5 meter (VBLXC5M)
C0116	U-AVBD9FD9F1	Videowise Communications Cable DB9 female to female cable for RS422 Videoblox interconnect, 30cm
C0119	U-AVBD9MD9M1	Videowise Communications Cable DB9 male to male cable for RS232 Videoblox interconnect, 30cm
C0117	U-AVBD9FD9F6	Videowise Communications Cable DB9 female to female cable for RS422 Videoblox interconnect, 1.8metre
C0120	U-AVBD9MD9M6	Videowise Communications Cable DB9 male to male cable for RS232 Videoblox interconnect, 1.8metre
C0118	U-AVBD9FD9F6 NULL	Videowise Communications Cable DB9F to DB9F 6 FEET NULL MODEM
C0765	AVB16VP	Videowise 16 Way video patch panel 1U rack mount

safe bet

Casino security doesn't have to be obtrusive.

At numerous venues across the globe, Honeywell's discreet monitoring technologies protect interests and guard against fraud – all without hindering your business or preventing your customers from enjoying themselves.

When the stakes are high, you need Honeywell – the number one safe bet.

Honeywell
